Our Story

The story of Chocolat began long before we opened our doors in 2005.

The memories of good food shared with friends and family in quaint Bistro's on far away travels inspired me to create a place where I could let you experience the same with your loved ones.

My dream continues to grow and in 2015 we moved to the well-known Heritage site at 46 Oxford street. This enabled us to have both inside and outside seating at last – with gatherings under the old Plane tree being a favorite amongst the locals and the addition of a story book castle where magical things happen, and children can come create forever memories.

In 2019 another part of the dream came to life, we proudly welcomed The Duchess Wine bar, where patrons can enjoy a cocktail in true Parisian chic style and in 2021 we opened Petit Chocolat, our in-house bakery, deli and gift shop. 2023 Saw the addition of The Birdcage, our beautiful, dedicated events venue with all of the luxury and style you have come to expect from us. We can't wait to continue to create memories with you. Let's celebrate life, love and everything in between.

With Love, Wilma and the Team.
